ATTN: NOAC 2018 Registration

by January 1st, 2018

There are 10 youth and 3 adults (over 21) slots - The slots for youth are first come, first serve, so by sending this registration form into the council does not guarantee a slot with Pamola Lodge NOAC contingent. The slots are selected amongst the pool of adults that have applied by January 1. They will be notified by January 10th.

The estimated cost for NOAC is \$1200. The actual cost will be determined by the contingent. We will set up a payment plan. Starting on January 10th, each Scout will pay \$200 per month until they're paid in full.
